INTRODUCTION

ENDLESS SUMMER presents an amazing opportunity for a buyer looking for a tri-deck motor yacht with renowned Benetti pedigree and incredible interior and exterior space. This 2006 Benetti Tradition 100 tri-deck motor yacht was designed by Francois Zuretti and Stefano Righini and has been immaculately maintained with the most recent refit in 2022/23. She features expansive deck spaces across three decks with al fresco dining on two decks with bar, multiple shaded lounging options plus Jacuzzi, and a modern, elegant interior with recent upgrades throughout. ENDLESS SUMMER has spacious accommodations for nine guests in four staterooms. Her on-deck master stateroom offers 180-degree views and total privacy. The full-beam VIP stateroom has an ensuite and is also privately accessed. The two other guest staterooms, one double and a twin with Pullman are midships on the lower deck. ENDLESS SUMMER is powered by the preferred package of reliable Caterpillar C18 main engines and has 3 cabins for 5 crew.
